

Evidence Action 2015 Financing Gap Analysis

August 2014

Evidence Action has a \$4.9M gap to fulfill 2015 goals to serve ~60 million people

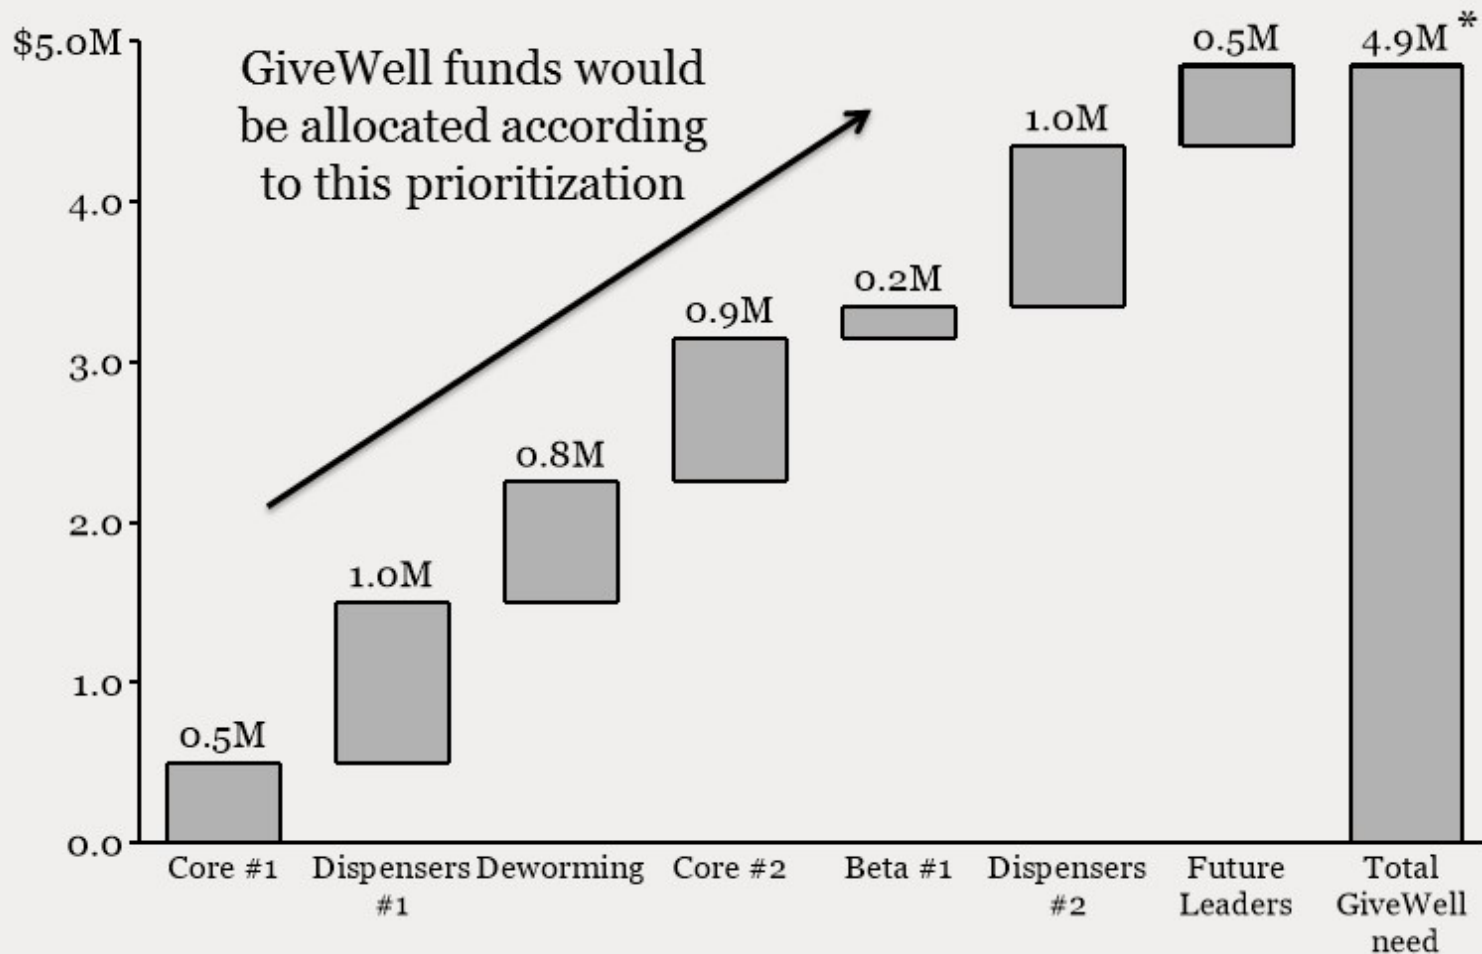

Program budget ranges, 2015

*For Dispensers the "funds committed" include \$400K expected from carbon sales

Funding from a GiveWell recommendation would be cascaded to different buckets

Planned use of GiveWell-resulting funds

*An additional \$600K above this amount could be used for additional new program ("Beta") exploration,
