

Name: _____

Mobile Number: _____

Section 1: Business Math

A customer purchases the following items:

- 1 package of sanitary pads for 2,000 UGX
- 2 bars of laundry soap at 1,800 UGX each
- 2 packages of fortified flour at 1,200 UGX each

1. What is the total amount due? _____ UGX
2. The customer gives you 20,000 UGX. How much change do you give her? _____ UGX

You buy 3 cookstoves for 12,000 UGX each and sell them for 14,000 UGX each

3. How much total profit did you make on all 3 stoves? _____ UGX
Hint: Profit = selling price – buying price
4. To make 10,000 UGX in profit, how many stoves do you need to sell? _____

Section 2: Reading Comprehension

Please read this story, and answer questions 5 – 7, by checking one box.

At the bakery, the workday begins early. The bakers arrive at 3:00 a.m. The bakery is cold and dark. The bakers light the oven and get to work. The first thing they make is the bread dough. They roll it. They mix it. They mix it all together. Now the bread dough is ready to go in the pan. But it doesn't fill the pan. Give it time. It will rise. It must rise for two hours before it fills the pan. Then they can bake it.

Next, the bakers make mandazi. They mix together flour, sugar, eggs, and milk. They mix the batter for twenty minutes. This is hard work. The bakers sometimes get tired. Now the batter is ready. Mandazi don't need to rise. The bakers heat oil and drop the dough into a pan.

Now it is 7:00 a.m. The bakery opens to customers. The bakery is so popular that customers wait in line for 45 minutes. They smell the bread. They talk about the mandazi. The bakers sell things all day. They run out of mandazi! Don't worry. They will make more. There is always something ready at the bakery.

5. For how long does the bread dough have to rise?
 1. 20 minutes
 2. 45 minutes
 3. 1 hour

4. 2 hours
5. None of these
6. All of the above

6. From this story we know that the bakers:

1. Get up early in the morning
2. Are always tired
3. Eat a lot of mandazi
4. Enjoy getting up when it's dark
5. None of these
