Section B: Migration Information

Let's talk about your first migration episode during this period.
1.1 When did you migrate? 
1.2 Where did you migrate? 
1.3 Is this place urban or rural? (1=Urban, 0=Rural) 
1.4 Did you manage to find a job at destination? (1=Yes, 0=No)

Now, let’s talk about the first job you got as a migrant this season.
2.1 How many days did it take you to get your first job after you arrived at the destination? days
2.2 What type of job/work was that? 

In this section, we will talk about your entire migration experience this lean season, after Vadro month.
3.1 How many days were you away from your home (migrating) in total this year’s lean season, after Vadro months? days
3.2 How many days did you work away (as a migrant) this lean season?
3.3 How much did you earn per day (average) on the days you worked at destination? Daily BDT
3.4 Was this more than you would earn per day at home during the same period? (1=Yes, 0=No) 
3.5 How much did you pay for your daily living at the destination (per day)? Daily BDT
Daily living expenses include housing, food, travel to/from work, pocket money etc.
3.6 How much did you bring/send home in total from migration this season? BDT

0. Did anyone in your household manage to migrate this year’s lean season after Vadro month? (1=Yes, 0=No) NO
Interview the oldest person who migrated

0.1 Why not? (write down the reasons)

1.5 Why could you not find a job at destination?

1.6 Did anyone else in your household also migrate this season? (1=Yes, 0=No) [If “No”, end]

1.7 Did any other migrant in your household find a job at destination? (1=Yes, 0=No) [If “No”, end]

[Please check that you have answered all the applicable questions. THANK the respondent and END the survey!]
